RE: Contract Amendment: Legislative Representation in Sacramento, CA — Carter, Wetch and Associates

On September 30, 2005, MTC issued a Request for Proposal (RFP) for assistance in providing the Commission with legislative advocacy services in Sacramento. This contract covered a five year period through October 31, 2011, with an option to extend another five years thereafter through FY 2014-2015.

A panel of three Commissioners and MTC staff recommended the selection of Carter, Wetch and Associates. The Commission authorized a contract in 2005 to fund the first two years of the contract, exercised two one-year options in 2007 and 2008, and an additional two-year option in 2009, extending the contract through October 31, 2011 in an amount not to exceed \$111,600 per year. This amount has remained unchanged for the six years of the contract period.

Carter, Wetch and Associates have served the Commission very well in the past six years. The original team consisted of Scott Wetch, Duncan McFetridge and Paul Bauer. In 2010, Duncan McFetridge joined a new firm, Brownstein, Hyatt, Farber, Schreck, but has continued the partnership with Scott Wetch in representing MTC. Paul Bauer ended his relationship with the team when he was hired by a new firm. Carter, Wetch & Associates hired Eduardo Martinez, who replaced Paul Bauer as the third member of the team. Throughout 2011, Scott Wetch, Duncan McFetridge, and Eduardo Martinez have been effective voices of the Commission's agenda in Sacramento, while steadily gaining an appreciation of MTC's need to work in consensus and cooperation with a complex array of partner agencies.

Staff recommends that the Committee authorize the Executive Director or his designee to negotiate and enter into a two-year contract extension with Carter, Wetch and Associates, to provide legislative advocacy services on behalf of MTC, in an amount not to exceed \$111,600 per year, subject to necessary budget approvals for the second year of the extension. The Committee's approval is subject to the approval of the contract amendment by the Administration Committee on October 12, 2011.
